

# Do You Care For Your Community?

Are you concerned about the visible and invisible impacts that numerous student-lets are having on our community? Are you concerned about how Royal Holloway manages student anti-social behaviour? And how the lack of parking provided by the university has meant that streets around the campus have become the unofficial overspill carpark?

If you are, then join us to send a clear message to the university's management team that you care about your community – and they should too.

When: Saturday 8<sup>th</sup> June

Time: 12:30

Where: Royal Holloway Main Entrance, Egham Hill.

## **We need a better Royal Holloway not a bigger Royal Holloway**

This gathering and photo-opportunity is the start of a programme of family-friendly mini-events arranged for the day:
